DEVOIR SYNTHÈSE N°1

Section 1: Tell Me About Your Family

Hello! My name is Nick Simpson, but everyone calls me Snoopy. I'm eleven years old. I was born in Liverpool, a city in England, but now I live with my family in Chechister, which is located about 300 kilometers north of London. Every autumn, I celebrate my birthday with a party. My mother's name is Sarah. She is 37 years old and works as an architect. She enjoys decorating houses and making them beautiful. She is tall and slim, with long curly fair hair and blue eyes. She is very friendly and always ready to help others. My father's name is John. He is 36 years old and works as a detective. His job is to catch criminals and solve cases. He is a little taller than my mother and also slim. He has short brown hair and brown eyes. He is very kind and has a great sense of humor. He loves telling jokes and making people laugh.

I have a younger brother named Eric. He is seven years old and goes to Santandern School, just like me. He is in Year 2, while I'm in Year 7. Eric is shorter than me and slim. He has short straight brown hair and brown eyes, just like our father. I look more like our mother—I have short wavy fair hair and blue eyes.

Eric and I usually get along well. Most of the time, we are good friends. But sometimes we argue, especially when he takes my things without asking. Still, I love him very much.
