Here's a model writing response "Write a report on how do you spend your day" – simple, clear, and suitable for classroom use:

 **Daily Routine Report**

Cool

My name is Emily. I am twelve years old. I usually wake up at seven o'clock in the morning. I wash my face, brush my teeth, and get dressed. Then I have breakfast with my family.

At eight o'clock, I go to school. I study English, Maths, Science, and History. My favourite subject is English because I love reading and writing. I play with my friends during break time.

I come back home at two o'clock in the afternoon. I have lunch and rest for a while. Then I do my homework and help my mother with housework. In the evening, I watch TV or read a book. I have dinner with my family at seven o'clock. After that, I prepare my schoolbag and go to bed at nine o'clock. I enjoy my day because it is full of learning and fun.
