Dear friend,

Hello! My name is [Your Name], and I'm very happy to write to you. I'm in 7th grade and I live in [Your City]. I'd love to tell you about my best friend and a little about myself too.

My best friend's name is Yasmine. She's twelve years old, just like me, and we've been friends since we were in second grade. Yasmine is tall and slim, with curly brown hair and bright green eyes. She always wears colorful clothes and has a warm smile that makes everyone feel welcome.

Yasmine is a very kind and cheerful person. She's always ready to help others, and she never lets anyone feel left out. She's also funny and creative —she loves making up stories and drawing cartoons. I admire her because she's honest and brave, even when things get difficult.

Her favorite hobbies are reading adventure books, playing the piano, and cycling in the park. She also enjoys watching animated movies and listening to pop music. However, she doesn't like loud places or scary films. She prefers quiet afternoons with her sketchbook or a good book.

As for me, I enjoy writing short stories, playing football, and learning new languages. I'm a bit shy at first, but once I get to know someone, I'm very friendly and loyal. I have short black hair and wear glasses. People say I'm thoughtful and calm, and I try to be a good friend like Yasmine.
