Dear mum and dad,  
Today is Sunday. It's my fifth day in Terha. I really like this lovely island. The people are friendly, the food is delicious and the sea is wonderful. We're going to the market place to buy some fruits vegetables and candles for Imene's birthday party. Mrs Soltans is preparing a big round chocolate cake and some refreshments. Then, we have to decorate the living room with some flowers and balloons. Uncle Hedy has bought Imene a lovely pink dress and beautiful black cheeses. She is ten years old. Imene is very happy because she will receive many presents from her friends and cousins.
