Complete your first letter to your penfriend Lisa . Introduce yourself : name, age, family, hobbies, school and friends.

Dear Lisa,

Hello! My name is Adam, and I'm very happy to write to you. I'm 13 years old and I live in Tunisia with my family.

We are five: my parents, my younger sister, my older brother, and me. We have a small house with a lovely garden where we often play and relax together.

I go to a public school not far from my home. I'm in the 7th grade and my favorite subjects are English and Science. I enjoy learning new things and I always try to do my best in class. My teachers are kind and helpful, and I have many good friends at school.

In my free time, I love playing football with my friends in the neighborhood. I also enjoy reading adventure books and listening to music. On weekends, I sometimes help my parents with housework or go out with my family.

I'm really excited to be your penfriend and I hope we can learn a lot about each other. Please tell me more about you, your school, and your hobbies.

Best wishes, Adam

Dear friend,

Hello! I hope this letter finds you well. My name is Sami, and I'm excited to be part of this exchange between our classes. Today, I'd like to introduce you to my best friend, Youssef.

Youssef is a cheerful and kind boy who always makes people smile. He has short black hair, bright brown eyes, and a warm smile that shows his friendly nature. He's of medium height and quite athletic because he loves playing football every weekend. His favorite hobbies are drawing and playing video games. He's very talented at sketching cartoon characters and often shares his artwork with our classmates. Youssef also enjoys listening to music, especially pop songs, and he sometimes sings along with great enthusiasm.

When it comes to likes and dislikes, Youssef loves pizza and chocolate, but he doesn't like spicy food or loud noises. He's a calm and thoughtful person who prefers peaceful places and meaningful conversations.

What I admire most about Youssef is his honesty and loyalty. He's always ready to help others and never hesitates to stand by his friends. I feel lucky to have him as my best friend.

I hope you enjoyed learning about Youssef. I'd love to hear about your best friend too!
