

## Kelly's Special Birthday Party by Yen Ling

Kelly's birthday was coming soon. It was next Saturday. She had planned to have a party so she sent out invitation cards to all her friends.

On the day of her party, Kelly decorated her house with lots of ribbons and balloons. Her mother cooked many tasty food items such as mee siam, fishballs, curry chicken and others. She received many presents from her friends. Kelly was very happy and excited.

Kelly's mother bought her a special vanilla cake. It was decorated with a beautiful 'Barbie' in the middle of the cake. Kelly stood in front of the cake and we sang the birthday song to her. She made a wish and blew out the candles. Then she cut the cake and served it to all of her guests. The cake was yummy! I loved it very much!

Next, we played Blindman's Bluff and we all really enjoyed it. Kelly had a good time with all the friends!
