Dear Sylvia,

We had a wonderful holiday in Greece. We just loved driving through the countryside and we often stopped (**walk – walking – to walk**) round a mountain village. We met our friends Tom and Liz, and they invited us (**having – have – to have**) lunch with them. They wanted (**that we stay – us to stay – we stayed**) with them a few days more, but we couldn't, as we had already booked a hotel in Athens.

The weather was fantastic. The sun didn't stop (**to shine – shining – shines**) all the time we were there. Leaving Spain was very sad. It made me (**to want – wanted – want**) to cry. We expect everyone in the family had a good time, and if somebody isn't happy, this makes the whole family (**disappoint- disappointing-disappointed**) Anyway, we're looking forward to hearing from you, and hope to see you and Andrew soon. Let's (**know – to know – knowing**) if you're ever in the area as you said you would also come to Greece this summer. You must call in.

Bestwishes,
Juliet and Joseph
